PROFESSIONALS/STAKEHOLDERS

RE: SOMB PROVIDER LIST

DATE: AUGUST 3, 2011

The Sex Offender Management Board (SOMB) has just posted a brand new Approved Provider List for both adult and juvenile providers, as well as the Intent to Apply list on the SOMB website. The SOMB staff has been working on this project for quite some time via a new database. The intention is to have lists that are universal and user friendly, as well as efficient for our office. As a result, we are asking that **ALL** providers, approved and on Intent status, please check the corresponding lists to ensure that the information included is completely accurate.

In an effort to ensure that the list is accurate our office will be following up regarding this matter with providers via email and by mail. If you notice an error of any type, please contact our office. All questions should be directed to Sharon Behl at [Sharon.Behl@cdps.state.co.us](mailto:Sharon.Behl@cdps.state.co.us) or at 303-239-4499.

For other professionals who often refer to the provider lists, please provide any pertinent feedback about the list that you think would be helpful for the Standards Coordinators to receive. To contact the Adult Standards Coordinator, please email [Cathy.Rodriguez@cdps.state.co.us](mailto:Cathy.Rodriguez@cdps.state.co.us) and to contact the Juvenile Standards Coordinator, please email [Kristy.Alles-Serrant@cdps.state.co.us](mailto:Kristy.Alles-Serrant@cdps.state.co.us) .
